Brock McKinley

Vice President

Teacher's Pension Services

Brock McKinley leads Strategic Market Expansion and Growth Opportunities as Vice President at Teacher's Pension Services. Over the last 15 Years, Brock has worked with hundreds of sales professionals to develop presentation methods that eliminate high-pressure tactics and create consultative environments. In partnership with leaders in the 403b/457b marketplace, Brock works with public schools and municipalities to bring high-quality retirement education and comprehensive solutions to their employees.

Brock also serves as CEO of a new investment advisory firm focused on bringing a single platform, multi-product provider option to school district and municipality retirement plans.
