

Richard Dunne

This speaker's professional career spans more than 30 years working in the US, Europe, Asia and Africa. He has particular expertise in developing, marketing and managing sophisticated financial products and investment strategies. He has also gained strategic planning and operational management experience by establishing and growing a number of global businesses for the institutions where he has worked. Immediately prior to founding Bdellium, Richard was a Managing Director of the Deutsche Bank group, a member of the Group's management committee in Japan and Global Head of Structuring and Marketing for Alternative Investment Strategies. Previously he worked for AIG Financial Products, GPA Group (a global aircraft leasing and financing company) and in the Irish public service, including as a government auditor, media spokesperson and head of the office of the Minister for Communications.

Richard holds a First Class honors degree in Economics and Econometrics from the National University of Ireland.
