

Gery Blackburn

Gery T Blackburn has been the treasury manager for Southern Illinois Healthcare (SIH) since mid-2009, overseeing the investment of board designated assets, and advisor to the investment committee of the defined contribution plan. Prior to joining SIH, he spent 10 years with McGladrey as an investment advisor providing independent and objective advice to foundations, endowments, charitable organizations and retirement plans in the prudent management of their assets through a custom, yet structured process.

Gery earned his MBA from Duke University in 1987, and a Bachelor of Science degree in industrial engineering from Bradley University in 1980. He holds the following designations: CFA®, CAIA®, and Accredited Investment Fiduciary Analyst™. Gery was formerly licensed by FINRA as a general securities representative (Series 7) and investment advisor representative (Series 66) and insurance producer in Illinois and several other states.
